I understand that if I begin testosterone replacement with any testosterone treatment, including testosterone pellets, that I will produce less testosterone from my testicles and, if I stop replacement, I may experience a temporary decrease in my testosterone production. Testosterone Pellets should be completely out of my system in 12 months.

**Revised 9-9-21**

## **Priapus-Shot™ Pre and Post Care Instructions**

The P-Shot™ should not be used in patients who have areas of active inflammation or infection (cysts, pimples, rash), sexually transmitted diseases or blood-borne infections. Ideally a urological exam within the last 1-2 years by a primary care physician or urologist is recommended.

### **Pre-Care Instructions**

- Stop or reduce all anti-inflammatories, i.e., ibuprofen, advil, aleve, aspirin, steroids for 48 hours prior to your procedure if medically acceptable. We **want inflammation** to occur!
- Stop or reduce non-prescription blood thinning agents, i.e., vitamin E, A, Ginkgo, Garlic, Flax for 48 hours prior to your procedure if medically acceptable.
- **DO NOT STOP PRESCRIPTION ANTI-COAGULANTS.**
- Iron, Vitamin D and other supplements are ok to continue.
- Stop or limit smoking for 72 hours prior to your procedure. The longer the better as we find it impacts the healing process.
- Take all other regular medications as prescribed.
- Come with clean genitalia and clipped short pubic hair.
  
- **Increase your fluid intake the day before your procedure just by simply drinking more water.**
  
- **On the day of your procedure, EAT AND DRINK PLENTY OF WATER.** We will be drawing a large amount of blood.
  
- Please bring a book, e-reader or any other device to use while the numbing cream takes effect.
- If you haven't already signed the consents and filled out the sexual health survey, you can download from our website, <https://www.stefanieaschultismd.com/patient-resources> and bring with you the day of the procedure.

### **Post-Care Instructions**

- Discomfort/ redness/swelling/numbness/bruising and tenderness to the touch is normal for a few days to a week or more.
- You may notice reaction from mild to intense sexual sensitivity, want/need for sex, sexual drive/libido, increase in erection, ability to maintain erection and length/girth/firmness in the first 3-5 days which will be due to the swelling.
- Bath or showers are fine. Clean treatment area twice daily with mild soap and water.
- Sexual activity maybe engaged immediately.
- You may have no effect at all in the first few weeks.
- Real benefits may not present for 4-12 weeks or not at all.
- You should use the vacuum penis pump for 10 minutes two times per day and keep the pressure between 5-10. You should stop using the pump if you have excessive swelling or discoloration.
- Please stop or reduce any anti-inflammatories, aspirin or steroids if medically able for 5-7 days.
- Continue to limit above listed non- prescription blood thinners and anti-inflammatories if medically able for 5-7 days. We **want inflammation** to occur!
- Avoid smoking for as long as possible for better results and healing!
- Notify Dr. Schultis' office with any extreme reactions.

HIPAA Revised 2\_6\_22

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

This Notice of Privacy Practices describes how we may use and disclose your protected health information (PHI) to carry out treatment, payment or health care operations (TPO) and for other purposes that are permitted and required by law. It also describes your rights to access and control your protected health information. "Protected Health Information" is information about you, including demographic information, that may identify you and that relates to your past, present or future physical or mental health or condition and related health care services.

**Uses and Disclosures of Protected Health Information**

Your protected health information may be used and disclosed by your physician, our office staff and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you, or your child, to pay your health care bill, to support the operation of the physician's practice, and any other use required by law.

**Treatment**

We will use and disclose your/your child's protected health information to provide, coordinate, or manage your health care and any related services. This includes the coordination or management of your health care with a third party. For example, we would disclose your protected health information, as necessary, to a home health agency that provides care to you. For example, your protected health information may be provided to a physician to whom you have been referred to ensure that the physician has the necessary information to diagnose or treat you.

**Payment**

Your protected health information will be used, as needed, to obtain payment for your health care services. For example, obtaining approval for a hospital surgery may require that your relevant protected health information be disclosed to the health plan to obtain approval for the hospital admission.

**Healthcare Operations**

We may use or disclose, as needed, your protected health information in order to support the business activities of your physician's practice. These activities include, but are not limited to, quality assessment activities, employee review activities, training of medical students, licensing, and conducting or arranging for other business activities. For example, we may disclose your protected health information to medical school students that see patients at our office. In addition, we may use a sign-in sheet at the registration desk where you will be asked to sign your name and indicate your physician. We may also call you by name in the waiting room when your physician is ready to see you. We may use or disclose your protected health information, as necessary, to contact you to remind you of your appointment.

We may use or disclose your protected health information in the following situations without your authorization. These situations include, as Required by Law, Public Health issues as required by law, Communicable Diseases: Health Oversight: Abuse or Neglect: Food and Drug Administration requirements: Legal Proceedings: Law Enforcement: Coroners, Funeral Directors, and Organ Donation: Research: Criminal Activity: Military Activity and National Security: Workers Compensation: Inmates: Required Uses and Disclosures: Under the law, we must make disclosures to you and when required by the Secretary of the Department of Health and Human Services to investigate or determine our compliance with the requirements of Section 164.500.

**Other Permitted and Required Uses and Disclosures**

Will be made only with your consent, authorization or opportunity to object unless required by law. You may revoke this authorization, at any time, in writing except to the extent that you physician or the physician's practice has taken an action in reliance on the use or disclosure indicated in the authorization.

**Your Rights**

Following is a statement of your rights with respect to your protected health information.

You have the right to inspect and copy your protected health information

Under federal law, however, you may not inspect or copy the following records; psychotherapy notes; information compiled in reasonable anticipation of, or use in, a civil, criminal, or administrative action or proceeding, and protected health information that is subject to law that prohibits access to protected health information,

You have the right to request restriction of your protected health information.

This means you may ask us not to use or disclose any part of your protected health information for the purposes of treatment, payment or healthcare operations. You may also request that any part of your protected health information not be disclosed to family members or friends who may be involved in your care or for notification purposes as described in this Notice of Privacy Practices. Your request must state the specific restriction requested and to whom you want the restriction to apply.

Your physician is not required to agree to a restriction that you may request. If your physician believes it is in your best interest to permit use and disclosure of your protected health information, your protected health information will not be restricted. You then have the right to use another Healthcare Professional.

You have the right to request to receive confidential communications from us by alternative means or at an alternative location. You have the right to obtain a paper copy of this notice from us. upon request, even if you have agreed to accept this notice alternatively ( i.e., electronically)

You may have the right to have your physician amend your protected health information

If we deny your request for amendment, you have the right to file a statement of disagreement with us and we may prepare a rebuttal to your statement and will provide you with a copy of any such rebuttal.

You have the right to receive an accounting of certain disclosures we have made. if any. of your protected health information.

We reserve the right to change the terms of this notice and will inform you by mail of any changes. You then have the right to object or withdraw as provided in this notice,

**Complaints**

You may complain to us or to the Secretary of Health and Human Services if you believe your privacy rights have been violated by us. You may file a complaint with us by notifying our privacy contact of your complaint. We will not retaliate against you for filing a complaint.

This notice was published and becomes effective on/or before APRIL 14, 2013

We are required by law to maintain the privacy of, and provide individuals with, this notice of our legal duties and privacy practices with respect to protected health information. If you have any objections to this form, please ask to speak to our HIPAA Compliance Officer, Heather Harris in person or by phone at 985-898-1940
